GYM CUNNY!

I work in a leisure centre as a gym instructor so I keep my body fit, firm and trim.

I'm a fuck fanatic, too, so I always have one eye out for the fit blokes in the gym and in my classes. Last month, when I was taking a circuit-training class a tall bloke with blonde hair caught my eye.

He was very fit and had tight lycra shorts on. I kept looking at the big bulge in his crotch and wondering what he'd be like in bed.

He was eyeing me up all through the session, looking at my arse when I was doing squat thrusts and staring at my pert tits. I only had a sports bra on top and my nipples stood out.

After the session I suggested everyone have a long drink to rehydrate. I said there was a bar upstairs and winked at the blonde guy. He winked back and I knew I was in.

As I showered I thought about fucking him. That got me really turned on and made my pussy moist. I couldn't resist rubbing myself up.

I slid a finger down my glistening body and slipped it between my wet lips.

I found my clit and teased it slowly, sending ripples of pleasure through my body.

Sure enough he was up in the bar. After a short chat I suggested I take him home and put him through his paces properly.

When we got to mine I took him straight upstairs and told him to get undressed while I got ready. I went into the bathroom, stripped butt naked and grabbed my dildo.

I went into the bedroom, sat him in a chair and got onto the bed. On all fours with my arse in the air, I rubbed the dildo from my arsehole to my big distended clit.

Gently I pushed it inside my pussy. He was slowly wanking his cock as I started to fuck myself with the dildo.

As I worked it in and out of my wet cunt with one hand, I brought the other down to stroke my clit.

His cock was rock hard and I wanted to feel it up me.

He kneeled down behind me and licked around the dildo as it entered my cunt. Then he stood up, removed it and stuck his cock in instead.

I continued to rub my clit as he drove his cock inside my pussy, making me cream straight away.

He banged away at me like fucking was going out of fashion, grunting and telling me how sexy my arse was.

When he was about to cum I turned round and took his cock deep in my throat, draining his balls of spunk.

Nothing keeps you fitter than having a sex workout like that!

Angie, Cumbria.

"Do you like me new lingerie? One of my regular squeezes got it for me last week. He loves me dressing up for him, and to be honest I'm becoming quite keen on it as well – apart from anything else my underwear collection's looking healthier than it's ever done before! The best thing about sexy lingerie, though, is that you can just wear it on your own, so when I've got nothing planned for an evening I'll have a nice long bath, make sure my pussy's perfectly shaven and smooth, and then try on some of my favourite sets. I always end up rubbing at least three out before I'm done, but where's the harm in that?"

Night of Flashin'

Most of the men in my fantasies have a bit of a difficult time. I make them come out with me while I flash round town (they get embarrassed!), or I make them lick my pussy for hours on end, or suck another man's spunk out of my pussy. But on the occasion I'm going to tell you about, I think the guys involved had the time of their lives.

I'm a married girl with a very indulgent husband who loves watching me get fucked by other men.

His favourite sight is to see me bent on all fours as a queue of men line up to fill my cunt with spunk till there's no room any more.

As you can tell, I like flashing and I like being licked but I had never really been into gangbanging. It's not that I didn't like cock, I was just worried about the reaction my husband might have if I organised one for him.

After all some things should remain fantasies. Luckily, this one went well.

Without telling my husband what was in store I booked a hotel room in central London for a "dirty weekend".

Then I called an escort girlfriend of mine and asked if she would advertise on her website for men who wanted a free fuck.

Needless to say she was inundated and by the time the Friday night rolled round, I had men calling my mobile every ten minutes.

My husband was working late and I told him to meet me at the hotel at 10pm. At eight the men started arriving – all shapes and sizes, colours and ages and began undressing.

I told them they could all fuck me for free but they had to wait until my husband could watch.

Some actually left after I told them this but nine remained.

Luckily my escort friend had come along with me and she kept them all occupied, going along a long line of cocks sucking and rubbing.

By the time my husband arrived I was bent over the bed, a queue of men with huge boners lining up to dog the life out of me.

I've never seen a bigger grin on my husband's face in my life as the first bloke parted my pussy lips with his fingers, spat on my cunt and rammed his juicy member up me.

We carried on until the ninth man had emptied his balls into me. I was in every conceivable position, cowgirl, missionary and some I don't even know the name of. Every hole of mine got shafted while my husband watched and wanked in amazement.

To finish it off I took my husband's cock in my spunky hand and wristed him off all over my face as the men all gave me a round of applause. I think I could get used to this!

Sandra, Oxford.

50-something MILF Amy certainly knows how to put on a good show for the man in her life, as you can clearly see, although usually she likes to start with a bit more tease...

"I've seduced plenty of younger men in my time – they can never resist in the end! I start off with just a bit of leg, or unbuttoning my blouse a little bit and giving them a flash of my cleavage. After that they're like putty in my hand – except that they're rock hard, of course!"

Arse (Ain't) Half Full!

There have been a few occasions when I have suggested to my hubby Jim we try anal sex.

He always declined, saying it looked too painful. (I said it was me taking it!)

I love the feeling of him playing with and rimming my arse and always wondered what it would feel like to have his stiff cock pushing up my virgin arse.

So one evening when he came back from work I was there waiting for him, dressed in the outfit you can see in these pictures.

He was delighted and couldn't keep his hands off me but I told him he had to do exactly what I told him if he wanted to fuck me.

I led him to the bedroom and told him to strip. Then I lay him on the bed and blindfolded him.

He was a bit surprised when I slipped handcuffs on me and fastened him to the bedhead with his tie.

As he lay there unable to move his arms I kissed my way down his body and took his cock in my mouth. His hips started to move up and down and forced his dick deep into me.

I got some lubricant from the bedside table and lubed my arse. He was trying to tell from the sound what I was up to. I worked two fingers up my bum to stretch myself ready for him.

Then I returned to sucking his cock as I had my first orgasm.

Making sure he was rock hard I squatted over him, rubbing his swollen cock along my cunt lips.

Then I lowered my arsehole onto his cock.

The feeling of him stretching me apart was amazing and it started the feeling in the pit of my stomach that told me my second orgasm wasn't far off.

Even with his blindfold on, I could see the look of ecstasy on Jim's face and I pushed down even further until he was as far as he could go in my arsehole.

I concentrated on tightening my muscles, squeezing him as hard as I could, milking his cock.

He was enjoying losing his anal cherry in my hole.

When he finally came he made me cum too, his hot seed exploding far up into my twitching back passage.

I lay on top of him for several minutes before he finally went limp and slipped out of me.

Since then we have tried anal sex in many positions, but however we do it that feeling when I lower myself onto his engorged knob is my favourite!

Kelly, Windsor.

"I used to go out with a guy whose prick was pretty much as big as this dildo," Ria told us when we were hanging around trying to look professional during this shoot. "I'd heard rumours about him from a couple of girls I knew, so I decided I'd better find out for myself. And to be honest I was actually a bit scared when I finally saw it for myself – there was no way I could fit that monster into my tight little cunny! Well, it took a good bit of determination, but we got there in the end, although he only really got it able half way inside me – not that I was complaining! I still cum really hard whenever I think about that fuck!"

AXA

Last time we hooked up with Axa Jay she was coming over all ruffty tuffty at a wrestling club because, well, she's actually pretty hard and goes in for all that sort of thing. But rest assured, to almost quote the old song, she's clearly a lover and a fighter, because her she is in her boudoir showing an altogether softer side to her nature…

"Yes, it's not just beating guys up in the ring that gets my juices flowing! Yes, I'm a big fan of sitting on their faces until they're begging for submission when we're grappling, but once we're in the bedroom I usually treat them a little bit more gently!"

Well you can sit on my face anytime!

Have you got to the stage where you can't welcome a nice sunny day without worrying that it's a consequence of climate change? Honestly – it's hard to enjoy anything without there being a downside, but one way to guarantee that you'll enjoy a nice day is to get a horny woman round to take her clothes off in the garden – so that's what we did! Lotti, it turns out, loves nothing better than getting her bits and bobs out outdoors, so everyone's a winner!

Look, if you can have a naughty but tasty treat at Easter, then when can you – and while chocolate eggs are all well and good, surely any right-minded reader would rather be tucking into bunny-eared Kelly instead!

"I never really thought of it as an either/or sort of thing," Kelly muses. "I've been a big fan of mixing my two favourite things – chocolate and sex – for ages! Cock tastes even better when it's got a bit of choccy smeared on, and so does my Easter cunny..."

REAL WIFE SEX

Anna's taken her window of opportunity!

I eased my pants off so he had a good view of my pussy.

My hubby works long hours and is, as a result, usually too tired to pay me the sort of attention I crave. Well, that's his choice, but it means I have to get my fun where I can, and the other day an opportunity arose which was just too good to pass up. I was at home doing some housework in just a skimpy pair of pants and a loose top when I happened to glance out of the window and saw my window cleaner working on the flat next door.

Feeling mischievous and not a little horny, I turned the radio up very loud and continued flitting around the living room with my feather duster. Very soon I saw the window cleaner approaching, he is a nothing special to look at, but has a great body and lovely personality. I peeked out of the window and saw him setting his ladder up and start to climb. I positioned myself with my back to him but so that I could see him in the mirror on my wall. As he came up to the window he started to lather the glass but soon realised that I was in the room, the look of shock on his face was a picture and then he grinned broadly as he realised I was unaware of him... or so he thought.

I had made sure that my knickers were nicely up the crack of my bum and bent right over to dust the skirting, giving him a perfect view of my arse. I then stood up, still with my back to him and started to sway provocatively along with the music, every now and then lifting my top to play with my boobs. I could

see in the mirror that he was loving it and turned slightly so that he could see me rubbing myself through my knickers. I was now extremely moist and slipped my fingers between my legs, standing there with my legs apart, gently circling my clitoris was making me giddy with pleasure. I closed my eyes and swayed with the music losing myself in my erotic thoughts. Very soon I could feel my orgasm building, but I didn't want to finish it there, I continued this for a couple of more minutes and then left the room.

I went into the bedroom and waited until I saw him coming up to that window. This time I could see that he was much more cautious as he got to the top and only his head appeared. Without looking at him I proceeded to lay on the bed and gently eased my pants off so that he had a good view of my soaking wet pussy. I started to resume my cunt massage, spreading my legs wide showing him all I had. I continued for a while, caressing my breasts with the other hand. Every now and then I glanced in his direction and could see a look of pure lust on his face. Thinking of him watching me, soon sent me into the most delicious orgasm, pumping my hips while I subsided I opened my eyes and realised that he had gone from my window.

Jim wasted no time and spread my legs wide, pushing his rock hard dick into my drenched cunt.

A knock came on my front door, I tried desperately to compose myself, got off the bed and put on my dressing gown and hurried to open the door.

Jim stood there with a huge grin on his face and said, "Any chance of a cuppa then?"

Without answering I pulled him inside and shut the door, giving him a big juicy french kiss as I did so. I could feel his erection on my leg as he pushed himself against me. I took his hand and lead him into the bedroom, as he stood next to the bed I slowly pulled down his zipper and his big old boy sprang out and looked me in the eye. I smiled at him and sank to my knees, cupping his big hairy balls in one hand I closed my lips over his shiny red helmet. I licked my way up and down his shaft tasting slightly salty, which made me positively drip with excitement. I couldn't contain myself any longer and collapsed on the bed, pulling him on top of me as I fell.

Jim wasted no time and spread my legs wide pushing his rock hard dick into my drenched cunt. I let out a loud moan as he pushed all the way into me, filling my hole with his throbbing cock. He began pumping into me with such ferocity my headboard banged loudly on the wall and my groans of pleasure matched the rhythm. Before he started I was in a heightened state but as he continued his long forceful thrusts I began to orgasm again and a wave of pleasure swept over me. I screamed at him to push harder as I came again and again, scraping his back with my nails as I squirted my fanny juice all over his belly.

Just when I thought I couldn't take any more he growled that he was about to come and as his hot spunk shot inside me, fireworks went off in my head as I came again and again. When he was spent, he rolled over and we lay there for several minutes, breathing heavily from the exertion.

As he got up to leave he left his bill on the dresser, on the back of the bill he had written, thanks for the show, made my day, have this one on me, No Charge. Cheeky fucker!!!

Talk about kindred spirits! What are the chances that we'd be treated to the sight of two of the country's raunchiest babes sharing a bed who both happen to have a penchant for striking tattoos featuring plenty of plumage?

"The chances were always pretty good!" says Ava. "As soon as I first clapped eyes on Alexxa in Escort a few months ago I knew I wanted to hook up with her, and the best way to do that was to see if she fancied getting together for a shoot!"

"Which I most definitely did!" continues Alexxa. "I mean how could I resist those lovely tits – not to mention those lovely tatts!"

We love it when a plan cums together!
